HEARS THE CALL

Aged John Murray Rescued by Hospital Doctors and

Sent Home.

John Murray, an aged man who lives. at No. 16 Henry street, Corona, Queens,

Murray's son Charler, an elevator boy man. He was assisted to the ferry and set the hospital, was drowned in the sent to his home. The police did not humbed from a ferrmon when he hear of the case. jumped from a leaking boat and sank before help could reach him.

dim where his son had been lost. The morning from acute alcoholism. Dr. old man raised his hand toward the Keltrich of Flower Hospital was summoned, but Mullaney died before the boy was calling to him for help. He physician reached him. moved forward, and in a moment was in!

James Hors, a hospital employee, sprang in after him. He caught the old man's collar and held him up until Dr. within Hox, it; his write suit, had plunged in. Both grasped Murray and kept his head above the water.

To help them Dr. Sexton lowered a limiter and a rope. Dr. Hux caught an jest of the rope and he wat pulled, with the old man, to the end of the pler. Dr. Sexton and others pulled Woodrow Wilson Portrait Free.

HOW THE GRAFTER GETS THE MONEY By W. P. (Camera Lye) Sheridan

A series of cleverly written articles exposing the everyday deceptions of the Powers that Prey.

This great series will begin in next Monday's Evening World, Aug. 5.

Sheridan won his nickname of "Camera Eye" from the marvellous feats of memory that he performed when he was at the head of the Bureau of Identification of the New York Police Department. It is said that no other man in America has so thorough a knowledge of criminals and their queer ways as has he.

thorough a knowledge of criminals and their queer ways as has he.

In this series Detective Sheridan will give Evening World readers many valuable hints on safe-guarding against crooks, and tells many decidedly exciting things that you did not know about the ways of the anderworld.

Remember, "How the Grafter Gets the Money" will begin in next Monday's Evening World, Aug. 5.

went lart night to the Willard Parker
Hospital at the foot of East Sixteenth
street, and said to Dr. Sexton, the superintendent:
"Please take me down, to the water
and show me where Charley was last

WRECKS STAIRS AN WRECKS STAIRS AND CAUSES SCRAMBLE

Mr. Murray to the river, and showed of No. 456 West Forty-muth street this of the part of No. 456 West Forty-muth street this morning from acute alcoholism. for Owner of Building, an East Side Tenement.

> the vestibule door and tore away parts of the stairway and floor early to-day outside a room occupied by the New Pleasure Club, on the ground floor of a four-story tenement house at N. 3 and son cure the sufferer of these complaints

The door leading into the two

spartment of Christopher Mayer, a real estate dealer and owner; of the building, on the ground floor, was also dam-

An infernal machine exploded, about As inferral machine expenses.

An instruction of the machine and the most hard ball, insulating descripted, hardmonth ago, near Mayer's offices in the
adjoining building, in No. 77, and the
from and ball, insulating descripted, hardwood true throughout half black from L station
wood true throughout hal was intended to injure Mayer. The owner, when questioned, declared he had received no threatening letters before or after the explosion a month ago.

It was his opinion that there had hern a mistake and that the bomb was intended for some one else.

It was his opinion that there had hern a mistake and that the bomb was intended for some one else.

A near-panic among the temants in the house followed the explosion early to-day. Thinly clad men, women and children ran terror-stricken into the fallways and out on fire-escape plat-forms. Patrolman Mahoney and de-tections who hurried to the tenement house restored quiet.

Fell Out of Window. Following the storm late last night, Mrs. Bridget Lynn, seventy-three years old, who lived with her husband and grown-up family on the third floor of No. 300 East Sixty-ninth street, went to open the parior window and fell out. Dr. Howe took her to the Presbyterian Hospital unconscious. She has a possi-ble fracture of the skull and will prob-
